The following table indicates the respective page(s) in the response document, "RAI 126 Response US EPR DC.pdf," that contain AREVA NP's response to the subject questions.

Attached please find the subject requests for additional information (RAI). A draft of the RAI was provided to you on October 24, 2008, and on October 31, 2008, you informed us that the RAI is clear and no further clarification is needed. For any RAIs that cannot be answered within 30 days, it is expected that a date for receipt of this information will be provided to the staff within the 30 day period so that the staff can assess how this information will impact the published schedule.
