Subject: Conf. Call on Draft RAI's 1915, 1952 and 1900

Ravi,
Attendee's from SCE&G, Bechtel and Westinghouse that were on the call discussing draft RAI's on sections 2.5.2 and 2.5.4 were as follows:

- SCE&G – Amy M. Monroe, Jamie LaBorde
- Bechtel – Courtney Smyth, Daniel Patton, David Fenster, John Davie, Joe Litehiser
- Risk Engineering – Robin McGuire
- Westinghouse –John DeBlasio, Don Lindgren, Bill LaPay, Nick Brown, Lee Tunon-Sunjur

Thanks for getting this set up. We have a better feel for what we need to do on several of these. I don't think we would have responded in a way that would have fully answered the reviewer's questions without the clarifications on a few of the items. I feel it was time well spent.
Thank you!
Amy
