Subject: CANCELED: U.S. EPR Design Certification Application RAI No. 198 (2284, 2272), FSAR Ch. 17

A draft of the RAI was provided to AREVA on March 6, 2009, and discussed with AREVA's staff on March 13, 2009. As a result of that discussion it was determined that the information requested in this RAI is not needed for completing the staff's review of this particular section of the EPR FSAR.
