Julie - Is there any chance that you'd be available this afternoon any time between 1:30 and 3:30p? Otherwise, my schedule tomorrow is very flexible from 9a onward. I don't anticipate that we'll need a lot of time - I'm sure it will be less than a half-hour.

Thanks for getting back to me, and I look forward to speaking with you. I believe Dennis Logan - our oversight biologist - will also sit in for the call.

Best,
Drew

Hi Drew -

I apologize for not getting back to you sooner - I have been on travel.
I will be in the office on Thursday and Friday...is there a good time
to try to get in touch with you on either of those days?

Thanks,

Julie
