Subject: Groundwater Calculation (Public)

Rob,

NRC would like a copy of

Calc. No. 25237-103-K0C-HMMG-00001, Groundwater Flow Model of Surficial Aquifer, Rev. 1.

to facilitate our review of your application. Groundwater modeling reports for a number of other sites have been sent to the NRC (e.g., North Anna).

Thank you

John Rycyna, PE
