George,

We want 1/28 and 1/29.

NRC staff will be Michael Mazaika, Brad Harvey and John Rycyna

Please provide the address of your facility.

We will provide an audit plan shortly.

John Rycyna

Subject: meteorology audit

The week of Jan 26-30 is best for us. We would have AREVA support for this audit. Once you confirm which 2 days are best for you, I will set up the UniStar Rockville offices. Please note that we would like an audit plan for this audit (as well as the Geology and Structural audits, though those are further out in time).
