Dara - I am sending this e-mail as confirmation that pages 16-19 of Appendix C to Enclosure 6 of NL-09-036 are not "privileged and confidential," despite the markings in the page headers on pages 16-19. As we discussed in our phone call earlier today, our Rules, Directives and Editing Branch will remove the markings from pages 16-19 and resubmit the comments to the agency Document Control Desk so they can be made publicly available in ADAMS, along with the rest of NL-09-036.

Please contact me immediately if this poses a problem.

Best,
Drew
