Sure. The Responses were sent in hardcopy form only but once we process it into our document management system I will send it to you via email in pdf. Hopefully it will be in the system by the end of the week.

PS – would it be possible to get a CD of UNE's responses to your RAIs? I have someone conducting a comparison of the latest revision of UNE's CPCN application with their COL Application (ER). Thanks. When we're done, we will share our results with you.

Yes myself and Bob Schaaf will be attending. We would like to stay and hear about the MAPP project also. Would that be possible?
Thanks
