SERVICE (NIRS) PETITION TO INTERVENE IN DOCKET 52-029 and 52-30

Under penalty of perjury, I, __Robert Tomashevsky__ declare as follows:

1. Address / proximity to proposed reactor site: I _____Robert Tomashevsky reside at _11210 NE 109th PL_____ in the city of___Archer_____, Florida. My residence lies approximately __30____ miles from the proposed site of a two new nuclear reactor units in Levy County, for which Progress Energy Florida has submitted a combined construction permit and operating license application ("COLA") to the U.S. Nuclear Regulatory Commission ("NRC" or "Commission").

2. I am concerned that if the NRC grants Progress Energy Florida's COLA, the construction and operation of the proposed nuclear power plant could adversely affect my health and safety and the integrity of the environment where I live. I am particularly concerned about the risk of accidental releases of radioactive material to the environment, and the potential harm to groundwater supplies and local surface waters. I am additionally concerned about economic impacts to me as an electric power customer.

3. I am a member of Nuclear Information and Resource Service (NIRS).

4. In order to ensure that the licensing decision for the proposed Levy County 1 & 2 nuclear power plants protects my interests in a safe and healthful environment, I have authorized NIRS to represent me in any licensing proceeding and/or related rulemaking proceeding that concerns the safety and environmental impacts of the proposed nuclear power plant in Levy County, Florida. I have also authorized NIRS to take any legal actions that are necessary to ensure that the licensing proceeding and the rulemaking proceeding are conducted fairly, efficiently, and in a manner that provides for the full consideration of all licensing issues that could affect my safety and the health of my environment.

I declare under penalty of perjury that the foregoing facts are true and correct and that any expressions of opinion are based on my best judgment.
