## Fermi3CEm Resource

**From:** SMBIHM@aol.com
**Sent:** Thursday, February 05, 2009 11:58 AM
**To:** Fermi3COLEIS Resource
**Subject:** Fermi3 plans

After many years of research and much planning it was discovered that the evacuation of the residents in Monroe, Michigan would be impossible in the event of a nuclear accident at the Fermi plant. NO plant should be built in this small residential community. Mildred M. Baker IHM
