Attachments: Storm water plan.pdf; image002.png

George,
I received your voice regarding the attached document and making it publicly available so we can reference it in the EIS. Before I can put it into ADAMS I need the following below removed from page 1 or I need a written statement saying we can use it. You can keep the copyright info but the rest will need to be removed. Thanks and call me if you have any questions/concerns.
Laura
