The bidding process did not start yet. Nothing of substance had become from the Federal court hearing. On June 25 we will have another hearing ,in the hearing it is expected to get the disclosure agreement approved, if approved the bidding process will begin.

Dear Mr. Cora:

I read your email response to Mr. Bermudez dated April 28, 2009. I was wondering if anything of substance has come from the Federal court hearing that you alluded to? Has bidding started yet? Any information that you can give me would be most helpful. Thank you very much.

Sincerely,
Richard McKinley
