Subject: Cultural Resource Reports

Jim and Dimitri,

I'm working on a letter to the Advisory Council on Historic Preservation to request if they want to participate in Section 106 consultation. Please provide me with three copies of the Submerged Cultural Resources Survey

and Phase I and Phase II archeological and cultural resource investigations. I will send copies of each to the NRC, ACHP and keep one for our records on the letter.

Please provide these documents as soon as possible. Thanks.

Thank you,
