Sorry... I just re-read the email and see that I totally missed that portion of your message! :)
What do you suggest for the hydro folks? Can you tell me the address of the meetings at DTE so that I can get us rooms near by...
Many thanks.

Yes, I'm staying at the airport Hilton as this works best for me.

Jerry,
One more question... did you make your hotel arrangements for the audit?

Jill,

When might the Fermi 3 hydrology audit questions be available to send to DTE? They will need sufficient time to have their contractor pull together supporting documentation.

Also, I have decided to stay at the Hilton at the airport as this seems best location for me.
