Subject: RE: questions for Detroit Edison on Fermi

Hi Jerry,
With the upcoming travel schedule for Aida, Wesley and myself, we would like to set up the call with Fermi the afternoon on Monday, 5/18 for about an hour and a half (to be adjusted later). Hopefully, that will provide enough lead time to get it scheduled.

Thank you.

Subject: questions for Detroit Edison on Fermi

Jerry -

As you requested earlier today, here is a list of questions I have on DE's Fermi 3 FSAR, R0, Part 2, Section 17.5. When you talk with the DE representative about the telecon you are setting up on RAIs (which includes my issues as well as others), you can provide this information as a heads up to the telecon.

Please put the people in the cc: list above, including me, on the list of when the telecon will be. Since I am on rotation now, your main contacts for Fermi will now be George Lipscomb and Wes Deschaine for Section 17.1 - 17.3, 17.5, App. 17AA and App. 17BB.

Thanks for your assistance with this.
