Mike,

In comment 107, it says that in LRA Table 3.6.2-1 for the metal-enclosed bus-enclosure assemblies, Note E is listed, which is considered to be "consistent" with GALL. However, in LRA Table 3.6.1, Item 3.6.1-9, the Discussion Column says, "Not Consistent with NUREG-1801." Could you please confirm which statement is incorrect?

Let me know what you find out.

Thanks,
Kimberly Green
