Subject: Re: Dockets Created on Regulations.gov 7/15/09

To Who Is In Charge:.....Please define for me clean air if a nuclear containment wall leaks? How much can we clean up? Why bother with sure a devastating invention of fuels? I vote no, no and no on NRC 2008-0567, NRC 2008-0608, and NRC 2009-0098.
