Jim,

Dennis Andrukat, the technical reviewer who issued the RAIs, has a conflict from 2 to 2:30. Can you change this to start at 1 pm EST?

Tom,

I am resending the Table showing the CH. 9 RAIs grouped by NRC review Branch. It is the same as the one sent earlier today, but shows one green shaded RAI (Electrical Branch) that will not require a phone call and can be officially sent to us at your convenience. I apologize for not identifying this specific RAI sooner as one that could be issued.

The meeting for the Fire Protection RAIs has been tentatively scheduled for Tuesday, July 14, at 2 pm your time, I pm Central time. I will let you know ASAP when the minimum compliment I need on my end has accepted, so that you wii have time to check availability of George Wunder and the SFPT members you will need on your end.

I will be here in Bay City tomorrow if you need to discuss anything by phone.

Thanks Tom.

Jim
