SUBJECT: REQUEST FOR ADDITIONAL INFORMATION LETTER NO. 025 RELATED TO SRP SECTION 13.1.2-13.1.3 FOR THE LEVY COUNTY NUCLEAR PLANT, UNITS 1 and 2 COMBINED LICENSE APPLICATION

Dear Mr. Miller:

By letter dated July 28, 2008, as supplemented by a letter dated September 12, 2008, Progress Energy Florida, Inc. submitted its application to the U. S. Nuclear Regulatory Commission (NRC) for a combined license (COL) for two AP1000 advanced passive pressurized water reactors pursuant to 10 CFR Part 52. The NRC staff is performing a detailed review of this application to enable the staff to reach a conclusion on the safety of the proposed application.

The NRC staff has identified that additional information is needed to continue portions of the review. The staff's request for additional information (RAI) is contained in the enclosure to this letter.

To support the review schedule, you are requested to respond within 30 days of the date of this letter. If changes are needed to the final safety analysis report, the staff requests that the RAI response include the proposed wording changes.

If you have any questions or comments concerning this matter, you may contact me at 301-415-9967.

Sincerely,

/**RA**/

Application Section: 13.1.2

QUESTIONS for Operating Licensing and Human Performance Branch (AP1000 Projects) (COLP)

13.01.02-13.01.03-1

Standard Review Plan Section 13.1.2 – 13.1.3, "Operating Organization," section I.2.D states that the applicant should provide the delegation of authority that may be granted to operations supervisors and to shift supervisors, including the authority to issue standing or special orders. FSAR section 13.1 does not appear to include the delegation of authority that may be granted to operations supervisors and to shift supervisors, including the authority to issue standing or special orders.

Please identify the location of this information in the Levy County application, or justify its exclusion.

13.01.02-13.01.03-2

Standard Review Plan Section 13.1.2 – 13.1.3, "Operating Organization," section I.2.E states that the applicant should provide the extent and nature of the participation of the plant operating and technical staff in the initial test program. FSAR section 13.1 does not appear to include the extent and nature of the participation of the plant operating and technical staff in the initial test program.

Please identify the location of this information in the Levy County application, or justify its exclusion.

13.01.02-13.01.03-3

Standard Review Plan Section 13.1.2 – 13.1.3, "Operating Organization," section I.2.H states that the applicant should provide the education, training, and experience requirements for those personnel in the management, operating, technical, and maintenance position categories in the operating organization who will do the preoperational and startup tests. FSAR section 13.1 does not appear to include the education, training, and experience requirements for those personnel in the management, operating, technical, and maintenance position categories in the operating organization who will do the preoperational and startup tests.

Please identify the location of this information in the Levy County application, or justify its exclusion.
