Subject: Fermi 3 RAI # 2658

Jerry,

eRAI shows that RAI # 2658, question 10826, has been in final review since 5/27. Do you know if this has actually gone to the applicant yet? Task RE9628 for issuing the initial RAIs for chapter 12.3-12.4 is coming due 6/22 and I would like to be able to close it out.

Please let me know if it has already gone out or if it will be going out soon.

Thanks,

Bob
