Subject: Response to U.S. EPR Design Certification Application RAI No. 195, FSARCh. 4

Getachew,

The proprietary and public versions of the response to RAI No. 195 are submitted via AREVA NP Inc. (AREVA NP) letter, "Response to U.S. EPR Design Certification Application RAI No. 195, " NRC 09:043, dated April 22, 2009. The enclosure to that letter provides technically correct and complete responses to all 13 questions. An affidavit to support withholding of information that AREVA NP considers proprietary from public disclosure, per 10CFR2.390(b), is provided as an enclosure to that letter.

A public version with the proprietary information redacted is also provided as an enclosure to that letter.

The following table indicates the respective pages in the response document that contains AREVA NP's response to the subject questions.

Question #	Start Page	End Page
RAI 195 – 04.02-03	2	3
RAI 195 – 04.02-04	4	5
RAI 195 – 04.02-05	6	6
RAI 195 – 04.02-06	7	7
RAI 195 – 04.02-07	8	8
RAI 195 – 04.02-08	9	10
RAI 195 – 04.02-09	11	11
RAI 195 – 04.02-10	12	13
RAI 195 – 04.02-11	14	14
RAI 195 – 04.02-12	15	16
RAI 195 – 04.02-13	17	17
RAI 195 – 04.02-14	18	19
RAI 195 – 04.02-15	20	23

This concludes the formal AREVA NP response to RAI 195, and there are no questions from this RAI for which AREVA NP has not provided responses.

Sincerely,

Ronda Pederson

Subject: U.S. EPR Design Certification Application RAI No. 195 (2259)), FSARCh. 4

Attached please find the subject requests for additional information (RAI). A draft of the RAI was provided to you on February 26, 2009, and discussed with your staff on March 11, 2009. RAI Question 04.02-4 was modified as a result of that discussion. The schedule we have established for review of your application assumes technically correct and complete responses within 30 days of receipt of RAIs. For any RAIs that cannot be answered within 30 days, it is expected that a date for receipt of this information will be provided to the staff within the 30 day period so that the staff can assess how this information will impact the published schedule.

Thanks,
Getachew Tesfaye
