A drop-in is fine, and I believe it was Russ' preference.

I'm in training on Monday but I could step out long enough to make the call.
I believe Russ will be in/out of the office the rest of the week since technically he'll be on vacation.

Jayson, we'd also like to talk about a possible drop-in in Galveston the same week as our alternative sites visit (NRC and STP). The pre-construction meeting was pushed back to Sept 30 but I didn't want to wait until then to get us all talking about it. If a drop-in doesn't work, we can always set up a telecon at a more convenient time.

Thanks,

Jessie

Howdy,

I got Russ' message about teleconferencing about jurisdictional impacts.
Would you like to try and talk some time Monday or Tuesday?
