SUBJECT

Control No. 318394 -- Re amendment request by letter dated July 29, 2009, to change the Radiation Safety Officer for NRC License No. 21-00278-02, replacing Jonathan Stone with Allen Niemi, Ph.D.

SUMMARY

In our telephone conversations on this date, we discussed the need for providing the following additional information regarding the amendment request:

1. Please briefly describe in writing, your training and experience (when and where obtained) in handling and monitoring radionuclides having various types and strengths of emissions, such as high energy betas and low and high energy gamma emitters, since your authorization on this license involves only low energy beta emitters.

2. Please confirm in writing your being aware of your designation as the Radiation Safety Officer, replacing Jonathan Stone, the current Radiation Safety Officer and of the duties and responsibilities the position entails.
