Subject:
(NOTE: This will be used as the Documents Title in ADAMS)
Determine if licensee requires financial assurance through Pennsylvania

Background: The Johnson & Johnson Company licenses have required financial assurance. A location of use was transferred to Pennsylvania when they became an agreement state. I called to determine if this location now controlled under license PA-0578 still required financial assurance. Mr. Bockis had the information reviewed and it was determined that this location does not require financial assurance.

Action Required:
Old financial assurance documents may be returned to Johnson and Johnson with the acceptance of new financial assurance.
