Suite 300
South Jordan, UT 84095

Dear Mr. Hutchcraft:

Enclosed is Amendment No. 01 to your NRC Materials License No. 43-32660-01 in accordance with your request. Please note that the changes made to your license are printed in **bold** font. This amendment also modifies License Condition 13. F., regarding leak testing criteria, to reflect current wording of our standard license conditions.

Please review the enclosed document carefully and if there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region III office at (630) 829-9887 so that we can provide appropriate corrections and answers.

Please be advised that your license expires at the end of the day, in the month, and year stated in the license. Unless your license has been terminated, you must conduct your program involving byproduct materials in accordance with the conditions of your NRC license, representations made in your license application, and NRC regulations.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at http://www.nrc.gov/reading-rm/adams.html (the Public Electronic Reading Room).

Sincerely,

Loren J. Hueter
