Subject: Request for information regarding transfer of control from Southern Delaware Surgery Center to Beebe Medical Center
(NOTE: This will be used as the Documents Title in ADAMS)

I called Jack Merkin to clarify the transfer of control from Southern Delaware Surgery Center to Beebe Medical Center. I requested a statement from Beebe's management stating that they assume all responsibility for the new location of use (formerly owned by Southern Delaware Surgery Center), including any radioactive material, contamination, waste, and/or sealed sources left behind. I also requested a facility diagram for this new location of use.
