Subject: Phone Call w/DTE Regarding RAI Letter #9

Mark,

I received a phone call from LaShawn Green, DTE earlier this afternoon regarding the DTE response to RAI Letter #9. Per the Fermi 3 schedule, the response is now overdue. LaShawn informed me that the earliest we can expect to receive the DTE response is Friday, 9/25/2009, and the response will not include the ETE RAI.

We also discussed the agenda for the conference call scheduled for 9/22/2009 and at this time LaShawn has no topics for discussion.
