Sarah,

Here is the table from our COLA Rev 3 submittal letter that shows which RAIs that required ER updates were incorporated.

All RAIs from Letters # 1 and # 2 which required ER Updates have been incorporated into Rev. 3.
One RAI from Letter # 3 was incorporated (05.04.01-01(b)). The remaining RAIs from Letter # 3 were not completed in time to be included in Rev. 3.
No responses from Letters # 4 and # 5 were completed in time to be included in Rev. #3.

Thank you for the list of meeting participants.

One last question (for today!) -

I know you have answered this before, but I can't seem to find it in my notes - how many rounds of the RAIs does Rev. 3 include? (Assuming that the fourth round was those we just received in September.)

Thanks,
Sarah
