Subject: chemical hazards review

Ravi,
I have confirmed the WEC chemical calcs are available in the WEC Twinbrook office for review. Please have the reviewer contact the office in advance to ensure there is adequate space available for the day he would like to come in.

Also, please ensure the reviewer understands he is not allowed to copy or remove the information from the office.

WEC Contact information:
Leslie Collins
12300 Twinbrook Parkway, Suite 330
Rockville, MD 20852
Tel. (301) 881-7040

Please let me or Wes know if you need additional information. The WEC calculations will be available for the next two weeks. Let's discuss setting up the follow-up call to our last call when you get back on Friday.

Thanks,
Amy A.
