Subject: 2010-01-13 RAI-126 re Potable Water - 10 day extension request

Steve,

Luminant hereby requests a 10 day extension to the response due date for RAI-126 (3909). The time is needed to coordinate sub-contractors and pursue a possible change to the US-APWR DCD. At this point, we do not believe that a clarifying conference call is needed.
