SUMMARY
We have reviewed your amendment request dated May 26, 2009, and find that we need additional information as follows:

1. Please confirm that the mailing address is at 820 Monroe, NW, Suite 333C, Grand Rapids, MI and that use or storage locations are at 1944 N. Griffith Boulevard, Unit A, Griffith, Indiana, 4085 Meghan Beeler Ct., South Bend, Indiana, and at temporary job sites.

2. Please confirm that you want to add CPN 500 Series portable gauges to your license.

3. You requested that License Condition 13, leak test frequency, be changed to "intervals not to exceed 12-months." Per review of your license, the leak test frequency was not specified but referenced the Sealed Source and Device Registration. Per our discussions on August 20 & 21, 2009, please confirm that this request is withdrawn.

We will be unable to continue processing your request until we receive this information. In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice, " a copy of this letter will be available electronically in the NRC Public Document Room or from the Publicly Available Record (PARS) component of NRC's document system (ADAMS) accessible from the NRC Website at http://www.nrc.gov/reading-rem/adams.html.

ACTION REQUIRED

Please submit a written response within 10-days or contact me to arrange an alternate response date. Be sure to reference control number 318251 to facilitate correct processing of your response.

If we do not receive a written response within 10-days, please note that we may void this request in order to enable you to prepare a quality response without time constraints. This would be done without prejudice to the resubmission of your request at a later date. Upon receipt of your response we will resume our review. Address your written response to my attention at the above address.

Please note that a "Void" is an administrative procedure that puts your amendment request "On Hold" (takes it out of our active casework database) until you reactivate it via submission of a written response.

Upon receipt of your response we will resume our review.

PLEASE DIRECT ANY QUESTIONS YOU MAY HAVE TO ME AT (630) 829-9892.
