Re: Nuclear Regulatory Combined License Application for Units 3 and 4
CMP#: 08-0129-F1

Dear Mr. Gibson:

Pursuant to Section 506.30 of 31 TAC of the Coastal Coordination Act, the project referenced above has been reviewed for consistency with the Texas Coastal Management Program (CMP).

The project was reviewed for impacts to coastal natural resource areas within the CMP boundary. No unavoidable adverse impacts were found. Therefore, this project is consistent with the CMP goals and policies.

Please note that this letter does not authorize the use of Coastal Public Land. No work may be conducted or structures placed on State-owned land until you have obtained all necessary authorizations, including any required by the General Land Office and the U.S. Army Corps of Engineers.

Sincerely,

Tammy S. Brooks
Consistency Review Coordinator
Texas General Land Office
