INFORMATION SERVICES ORDER FORM

Updated 1/09

Print out and fill in this form and mail to:

Project Review Coordinator
DCR Division of Natural Heritage
217 Governor St.
Richmond, VA 23219
Voice: (804) 786-7951 Fax: (804) 371-2674
nhreview@dcr.virginia.gov

ENVIRONMENTAL REVIEW SERVICES:

X **Project Review** (30 calendar day turnaround)..**$90 per site**; add $35 for 1-5 occurrence, $60 for 6 or more occurrences. Multi-quad project area $90 per quad.

___ **Project Review with Accompanying Map**...**$250 per site**; for projects with potential impact to Natural Heritage Resources, written comments with 8.5 X 11 map displaying Natural Heritage Screening Coverage.

___ **Priority Service** (5 business day turnaround)..**$500 surcharge**

Details: Describe project in the space below, please include detailed project description, project location information, acreage, and existing site conditions (photographs if available). Fax additional information as necessary. In order to ensure an accurate assessment, please **fax a site map** (preferably from a USGS topo map with identified project boundaries) to: **Environmental Review Coordinator @ (804) 371-2674**. Or you may send electronic copies of **all** information to **nhreview@dcr.virginia.gov**. **Incomplete submittal of information will delay the review process.**

The proposed project is the construction of a new reactor at the North Anna Power Station (NAPS 3). There are three project areas, as shown on attached map and shape files.

1) North Anna 3 site, ~200 Acres, Assume it will all be cleared
2) Adjoining Property to be used for temporary construction support ~100 Acres, assume it will all be cleared.
3) North Anna to Ladysmith Transmission Corridor. The existing corridor will not be widened, but approximately 72 towers will be installed, small disturbance at each site.

I understand and agree to the above conditions: X **Yes (Required for Fee Services)**

PUBLICLY AVAILABLE PRODUCTS

DCR maintains lists of natural heritage resources monitored by the Natural Heritage Program. These lists provide information on taxonomy, rarity and federal/state legal statuses. These reports are not site specific and are **NOT** to be substituted for a project review or for on-site surveys required for environmental assessments of specific project areas.

Due to staff and budget constraints we ask that you use the online service whenever possible to download these lists of natural heritage resources:

___ **Natural Heritage Resources of Virginia: Rare Animals** (PDF)

___ **Natural Heritage Resources of Virginia: Rare Plants** (PDF)

County lists of natural heritage resources can be generated using the Internet Database Search Tool:

County Lists of Natural Heritage Resources

Send data and invoice (if applicable) to: (Please be sure to include a phone number so we may contact you if we have any questions regarding your data needs)
