Don,

An edit to the previous request - sometime during the 1 -2:30 timeframe would be best. I'm anticipating the call to take about a half hour to 45 minutes.

Thanks,

Mike

Don,

The staff would like to have a conference call to discuss your concerns with the QAPD and the possibility of performing a QA implementation inspection in July/August.

The NRC proposes Wednesday Feb 10th 2010, between 8am and 10am EST or between 1 and 230 pm. if those times don't work, please let me know.

Sincerely,
