RE: Second Update to Disclosures Pursuant to 10 CFR § 2.336; *Tennessee Valley Authority* (Watts Bar Nuclear Plant, Unit 2), Docket No. 50-391-OL

Pursuant to 10 CFR § 2.336 and the agreement among the parties regarding mandatory discovery disclosures dated December 1, 2009, the Tennessee Valley Authority (TVA) is providing the second update to its mandatory disclosures with respect to Intervenors' Contentions 1 and 7, as admitted by the Board on November 19, 2009 (LBP-09-26). TVA performed a search for documents relevant to the remaining admitted contentions, but as of March 15, 2010, did not identify any new documents. Additionally, TVA did not identify any other changes from the first update dated February 12, 2010.

Sincerely,

Signed (electronically) by

/s/ Christopher C. Chandler
