Mr. Johnston,

The DEIS is now scheduled to be issued on 4/16/2010. There is a letter informing the public of this recent change that was mailed out this past Thursday. You should be receiving a copy if you are on the mailing list for the project, but in the meantime you can find this letter through our Agency-wide Document Management System located at http://www.nrc.gov/reading-rm/adams.html by using ML100540412. The schedule can also be found at http://www.nrc.gov/reactors/new-reactors/col/calvert-cliffs/review-schedule.html.

Thanks
