Steve,

We found the identification of proprietary and non-proprietary information correct in the draft RAIs attached to your request below. We may need a conference call on a couple of the questions in about two weeks.

Don,

I have attached the Comanche Peak COL Part 1 RAIs. Please review the cover letter and RAIs to ensure that we have accurately identified all proprietary and non-proprietary information. I am asking that Luminant complete its review by March 23, 2010. After Luminant provides its information (via email) to the NRC staff, we will issue the RAIs and cover letter.

thank you,
