Subject: Freedom of Information Act Request

We received a Freedom of Information Act (FOIA) request related to the GE Environmental Report. In your submittal you requested that Appendix U, "Private Benefits and Costs of Proposed GLE Facility," and "Compliance of GLE Environmental Repot with NUREG 1748, Chapter 6," be withheld from public disclosure in accordance with 10 CFR 2.390. On April 29, 2009, we agreed that these documents contain proprietary inforation and should be withheld as requested. Subsequently, in a response to a FOIA request, we determined that the cover pages of both documents and the table of contents for Appendix U are not proprietary. The remainder of the documents are considered to be proprietary. Before releasing this information, we are requesting that you review the above identified pages to determine if you object to or agree with our determination. Can you respond by September 3? Thanks.
