Dr. Misailidis:

I called the City Hospital number to talk with you, and was provided this email address when I requested to leave a message.

I am reviewing your request to remove the 10 CFR 31.11 materials authorization from your license. Please let me know which radionuclides, if any, were used under this authorization.

Please respond in writing, by letter or facsimile, within 30 days. You may contact me as listed below if you have additional questions.

thanks,
Betsy
