Subject: 2010-04-23 Woodlan, Request for extension to respond and a public meeting re Part 1, Financial RAI

Steve,

As I have mentioned before, we need more time to respond to the Part 1 RAI. I am hereby requesting a 45 day extension (if I counted correctly, the new due date would be June 11, 2010). We need the time, in part, to have a public meeting (at least part of which may need to be closed) to discuss several aspects of the questions. We are looking at the week of May 17 but I am still polling our team so I cannot propose a specific day at this time. I assume we would come to Rockville to meet with the NRC staff. If you know of any limitations that week, please let me know.

Thanks,

Donald R. Woodlan
