In the Matter of
SOUTHERN NUCLEAR OPERATING CO.
(Vogtle Electric Generating Plant, Units 3 and 4)
Docket Nos. 52-025-COL and 52-026-COL

Dear Administrative Judges:

By letter dated January 29, 2010, the NRC staff ("Staff") informed the Atomic Safety and Licensing Board ("Board") and parties of its environmental review schedule. That schedule stated the Staff's intention to issue the draft COL supplement to the ESP Final Environmental Impact Statement on May 7, 2010 (DSEIS). However, the Staff has determined that the DSEIS will not be issued on May 7th. The Staff will notify the Board and parties once a revised issuance date has been established.

Respectfully submitted,

/signed (electronically) by/
Ann P. Hodgdon
Counsel for the NRC Staff
U.S. Nuclear Regulatory Commission
