Subject: Re: WNI EA Questions

Steve, Toby Wright and Lou Miller will respond to your questions 1,4 & 5. The answers to 2 & 3 are that of the Red Mule and vicinity property owners whose property was acquired by WNI, only two remain in the Jeffrey City area: The Redlands and the Kelleys. However, most of the prior property owners were absentee owners before the property was acquired by WNI.

I mailed copies of the deed and title policy reflecting WNI's acquisition of the Jamerman parcel to Gary Janosko last Monday, March 21, 2006. The letter reflected that you would receive a hand-delivered copy at the site on 3-22. When your trip to the site had to be terminated, I mailed your copy directly to you later in the day on 3-21-06.
