Subject: Virtual Reading Room Access - Samir Ziada

Loree,

Our consultant, Samir Ziada, has trouble accessing the VRR. He received this message when he tried to log on:

"Your password has expired and cannot be changed on the Web site. You must change your password the next time you log on to Windows".

He was granted access on February 22, 2010. Has that expired? (BTW: I did not ask if he has any prior success in accessing the VRR. I'll ask.)

Please help to check.

Regards

Tom Tai
