Subject: STP - Ch 3.9.6 and 3.11 Audit

John,

We continue to have trouble accessing the virtual reading room. But based on the anticipated volume of the EQP and design specifications, it is not practicable to expect using the VRR in lieu of an audit can satisfy the resolution of the open items in Chapter 3.9.6 (03.09.06-1) and 3.11 (03.11-1). Therefore, please advise when are these documents are available for audit and we can decide where.

Regards
