Re: Freedom Of Information Act Request For Upcoming Documentary

To Whom It May Concern:

Citizens United is currently gathering information for an upcoming documentary. I would like to request the following records under the Freedom Of Information Act:

For the period of January 1, 2001, to the present, please provide all correspondence between the Office Of Senator Hillary Rodham Clinton (D-NY) and the Nuclear Regulatory Commission. If the commission keeps a correspondence log, please provide the log kept for correspondence with Senator Clinton's office, and then we can decide specifically which pieces of correspondence we would like to review.

Thank you for your attention to this matter. If you have any questions, please contact me at (202) 547-5420.

Sincerely,

John Mastranadi
