Best,
Drew

Terry, Miranda -

Attached are the SAMA clarifications that I received from our reviewers. Once you have an opportunity to review them with your staff, I would like our staff to discuss them with your staff via a teleconference to determine which of them will require formal responses and to be sure that the requests themselves are clear. Our staff is unavailable next week, though it's possible that I may be able to find some availability yet this week. Our staff should be available the week following next.

Best,
Drew
