Subject: Calvert Cliffs Section 7 consultation

Hi Julie,

It's been awhile since we sent the biological assessment for the proposed Unit 3 at the Calvert Cliffs site so I just wanted to touch base with you. To my knowledge we haven't received anything from Protected Resources for that project (if it was sent recently, it could still be in document processing). Will the consultation be concluded by letter of concurrence, or are you working on a biological opinion?

Please let me know what the status is when you get a chance.

Thanks,
Harriet
