Dear Mr. Keck,

As we discussed on the phone earlier today, based on the information that you have already submitted for Dr. Krug, a preceptor attestation is still required before he can be added to your license as an authorized user.

You may submit a NRC form 313A (AUD) Authorized User and Training and Experience and Preceptor Attestation Form. http://www.nrc.gov/reading-rm/doc-collections/forms/nrc313a(aud).pdf

- Complete Part 1 checking Board Certification, then
- Complete Part II checking the Board Certification sections or each authorization level requested in the first section, then
- Complete the second section of Part II and have the Preceptor sign, date, and provide the number of the NRC license for which the preceptor is listed as an Authorized User or a copy of the Agreement State license or broad scope license permit showing this listing along with their telephone number.

Once we receive the form with an acceptable attestation, we should be able to finalize the processing of your license amendment. You may respond to my attention in writing by letter or fax (610-337-5269), referencing mail control 573740. If we do not receive a reply from you within 30 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your amendment. If you have any questions feel free to call me at (610) 337-5076.

Regards,
Robin
