Subject: Additional information regarding proposed change of ownership

The request was for change of ownership of this license to West Virginia Radiation Therapy Services, Inc., (WVRTSI), a wholly owned subsidiary of Radiation Therapy Services, Inc. (RTSI). As established in previous correspondence for mail control 139206 (new HDR license in Martinsburg, WV), RTSI conducts most of its business in the US under the name 21st Century Oncology.

I called Greg regarding the following issues:

1) Will there be a change in the name of the licensed entity?.
2) Will there be a change in mailing address to the 21st Century Oncology central office in Florida? (This would require issuance of a new license number with prefix 09-.)
3) Provide documentation of WVRTSI's incorporation and relationship to RTSI (I was unable to find this by internet search).

Later in the day, Greg told me that he referred my issues to legal staff for RTSI/21st Century Oncology and was not certain of the expected time frame for response. I then tried to contact Daniel Galmarini (signer of the request for WVRTSI and Director of Physics for RTSI/21st Century Oncology), and spoke with Leandro of his staff. Leandro said there is likely to be a change to a Florida mailing address. He said his understanding is that the sale will not close until after RTSI/21st Century Oncology provides the answers to my questions and NRC approves the transfer.
