Dear Mr. and Mrs. Baird:

This letter is to inform you that the U.S. Nuclear Regulatory Commission (NRC) has suspended collection on Invoice Numbers FL0010-07 in the amount of \$2,375 and FL0192-07 in the amount of \$2,632 issued to SRUD Mill. The NRC will not pursue collection consistent with Title 10, Code of Federal Regulations (CFR) Part 15.53(b), which states that collection action may be suspended based on the licensee's inability to pay.

The NRC will continue to issue invoices quarterly and will continue to suspend collection. Suspended debts will be reviewed every six months to determine if the debtor's financial condition has improved to the point that payment can be made on the debt. The debt will then be reactivated and further debt collection will commence.

Sincerely yours,

/RA/
